Professional Profile

Collaborative, trusted leader and fundraiser with innate ability to foster long term relationships. Skilled in motivating others to achieve consistent results by authentically relating to donors. Consultant to Fortune 500 companies with unique ability to instill knowledge, concepts and best practices with outstanding results.

Professional Accomplishments

In-Depth Experience with Oversight and Management of All Fundraising Operations

- Responsible to lead staff in raising \$10 million annually. Personally raised over \$750,000 in the first seven months at the Vail Valley Foundation.
- Designed and implemented \$3.9M **comprehensive campaign**.
- Started the Oregon Tech Foundation's first **Planned Giving** program. Previously, only five planned gifts were recorded. In one year increased it to over 23 gifts that could result in over \$15 million when realized.
- Introduced two new endowments to Dance Committee and YouthPower365 Committee.
- Instrumental in reactivating the stalled Bloomberg grant for YouthPower365, creating the campaign plan *Every Child Every Day*.
- Successfully closed a stalled capital campaign for the Oregon Tech Foundation **raising \$ 2.4M in six months**, more than in the previous three years combined.
- Responsible for receiving a \$1 million challenge grant.
- Vail, Colorado fundraising successes include meeting or exceeding fundraising goals, including challenge gifts from individuals, for all clients.
- Doubled **Alumni Giving** in two years.
- Doubled dollar amount given for **Scholarships** in one year.
- Tripled **Unrestricted Giving** in six months.
- Implemented the first "Family-Giving" program at the University. Inspiring faculty, staff and administrators with a common goal resulted in increasing their giving over five times the amount of the previous year.
- Built **Endowment Giving** from \$100,000 to over \$2 million in two years.
- Cultivated major gifts using **Donor-Centered fundraising**. This innovative program resulted in engaging two times as many donors as compared to the previous year.
- Created unique **10-Touch Process** to assess timing, donor gift probability and to steward donors through moves management.
- Supervised and edited grants while leading the Grants Department for the foundation and the University. The number of targeted grant proposals doubled with a corresponding increase in grant revenue.
- Recruited and trained volunteers to identify potential donors, build a personal connection and create a philanthropic environment.
- Used prospect research software to evaluate potential donors' capacity and propensity to give.
